As a long time home owner within the Emerald Springs Development I have great concern with Mr. Melendez AKA "DII" and his ventures. The sewer plant was only necessary for him to expand his development. He is now bankrupt and owes many of the local folks thousands of dollars. A long time local mobile home part owner has offered to reconnect our development to his system (before Melendez) for a substantial savings while Mr. Melendez wants to raise the sewer costs.

Thank you.
